

**REMARKS**

Claims 1-6 remain pending in this application. Claim 1 has been amended. No new matter has been added by this amendment.

**Rejections Under 35 U.S.C. § 112**

Claims 1-6 are rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. By the amendment to claim 1 herein, applicant has addressed the examiner's objections regarding indefiniteness. Accordingly, the rejection of claims 1-6 under 35 U.S.C. § 112, second paragraph, should be withdrawn.

**CONCLUSION**

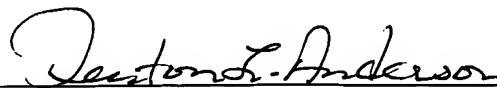

For the reasons set forth above, applicant respectfully submits that all of the claims remaining in the application are now in condition for allowance. Accordingly, reconsideration, reexamination and allowance of all claims is requested.

Respectfully submitted,

SHELDON & MAK
